CRSPIA Meeting Minutes, May 16, 2026

Present: Greg, (President), Phyllis, Kandhy, Milo, Doreen (Treasurer), Mike H. (Vice President), Susan (Secretary)

N.B. Mike Curtis is no longer able to be on the Board.

Call to order: 1:33 pm

Guests: Ray (CAL),

Carole (Webmaster is absent)

Old Business:

POS card reader for store: Greg got one quote

Greg will keep looking. Ray said the State Park that connects to the Starlink, there is a way for co-ops to link to them. How do we find out how to use it. Ray said Tyler knows. Doreen will contact him.

Should we have credit card readers at both Kiosks? We should get the newest model if possible.

Greg will ask on Monday.

Scotsman trailer: Ray found the files that were taken out of the office. He will sign the document and back date it. Turn it over to the maintenance chief to deal with it. He guesses it never went through DPR and was never processed. Tyler gave Doreen some old minutes, she will go through them and look at them to see if there is anything useful.

Firewood vending machine: Who is going to stock it etc. San Elijo is using them. We should ask them how it is. $11,000 If we want to try it, we should just get one.

Tuff Shed: for the ice at Green Valley. Everyone is worrying about Hantavirus in the current shed.

How big do we need. Price of shed, electrical, frost free

Ask Park Champions to paint the ice shed at Paso.

Freezers: It's time to reinvest in new ones.

Flyer and business cards: Greg has been working on them to link to CSPIA website and how to join.

Did the minutes get put on the website? Ask Carole to add them to the website

No new business

Minutes from last month approved

Stonewall Sentinel: Greg needs to write a paragraph to introduce himself as our new president.

Should we change the name to Cush Pi Chronicles?

Ask Jerry to write something about TMU

Are we going to do something for Mike C.?

Treasurer's report:

See attachment email.

Cash deposit is estimated and rounded down about $5000

Bank balance is healthy. Tax return is being reviewed.

Could we get grants for signs. Walt has some suggestions about it

CAL: Staffing wise, funding is available. Decent coverage. Joshua is interested in being CAL. This is Ray's last meeting.

Firewood and ice: Paso, we need to order firewood, late next week. One empty ice and 2/3 full

Tom at American Ice prefers to sell A bale =70 bags. Can Tyler fit in the paso ice shed?

Milo suggests maintenance chief decontaminate the inside and seal the cracks at Green Valley due to fear of hantavirus.

Store: We have new mugs, 4 new stickers, Staci has volunteered to help with the buying.

Membership: Greg talked to Ted (a member) who asked if we were still a thing.

Trails report: TMU worked on the Marty Minshall trail with Walt's group and then continued on Tuesdays.

Webmaster report: absent

President's comments: no other comments

Meeting was adjourned at 2:46pm
