N.B. Vote by email about the birds for taxidermy: all in favor

Internet for VC: ATT&T needs fiber optic cable. Starlink $400 for equipment, installation varies up to $1500
Usenet, losing customers to Starlink.
Greg is considering Starlink. He will put it on his credit card and get reimbursement.
Card readers: Doreen said our existing merchant account with our bank is still open and is costing us about $70 monthly, but since the card readers don't work, we're paying for no service.
She wants to cancel that merchant account.
Motion: Close the merchant account. 5 ayes 1 abstention. Motion passed.
Cellular: Greg will talk to Stacy
We should get 2 card readers

Motion to spend up to $1500 on equipment for Startlink. All in favor (Doreen's neighbor might be able to do the installation as long as he has insurance etc.) She will contact him.

IRS: Motion and Vote by email to pay the IRS penalty

Clyde's request for funding:

Motion to spend up to $9000 on trail maintenance tools: All in favor

Luncheon: What do we want to do for food? Catered with the Junction last year was $200. What else? gift cards, raffles etc.? Plan for 35 people.

Vote by Email for Luncheon budget.

Ask Joshua to find out if the park wants us to sell water at the kiosks at 2 for a $1.

Scotsman trailer: Joshua found a form he filled out and pushed it up the chain of command, but he hasn't heard back from headquarters.

Ray had the form from 2008/2009, but it wasn't signed. Mary Lowe registered it in 2010.

We need the DPR to accept it retroactively.

New Business:

Elections: Mary would like to join the board, so she needs to write a statement of interest

Carole will send her some samples and the emails of the board. Motion to appoint Mary until the next election: All in favor

Visitor: Ceylian talked to us about the photo contest for next year in June and contest website.

Funding problems: He found cheaper options for ribbons. Still searching for Judges. His father is making a website.

Special event permit form and insurance deadline to submit as soon as possible. Michele will talk to Cheryl about it.

Motion to sponsor the photography contest budget to be determined. All in favor

Mary brought up making calendars. Tabled for later.

Secretary's report: minutes were sent for July. August meeting was canceled. Motion to accept the minutes as presented: all in favor. Sentinel was sent for board review. Greg will send it out tomorrow.

Treasurer's Report:

Annual report was sent to Kandhy, she signed it and sent it back to Ray. She needs to send it to Doreen and Susan.

All sales: Doreen needs an itemized list on the envelope of what was sold.

She has to account for wood and ice, so we can't mix T-shirts and wood. Greg suggests Doreen, Phyllis and Stacy get together about the registers.
